

Resources for D12 Groups regarding Service Animals:

Groups are guided by their own group conscience. The better informed the group conscience, the better the decisions the group can make.

Regarding Service Animals, groups are encouraged to know what the ADA states in terms of protecting the rights of a disabled person. Groups are encouraged to understand the difference between service animals, emotional support animals, and pets.

Below are group resources concerning Service Animals. This is not an exhaustive list, however it covers Federal, State, and AA

Federal:

The Americans with Disabilities Act (ADA) Service Animal Requirements:

<https://www.ada.gov/resources/service-animals-2010-requirements/>

ADA Frequently Asked Questions about Service Animals

<https://www.ada.gov/resources/service-animals-faqs/>

State:

State of Missouri, provides you with videos, information, guidelines and links related to service animals, as well as emotional support animals and assistance animals.
