THE EIGHTH MONTH

Step 8

Made a list of all persons we had harmed, and became willing to make amends to them all.

Tradition 8

Alcoholics Anonymous should remain forever non-professional, but our service centers may employ special workers.

Concept 8

The trustees are the principal planners and administrators of over-all policy and finance. They have custodial oversight of the separately incorporated and constantly active services, exercising this through their ability to elect all the directors of these entities.
